(24*7 Live #SuPpoRt) Does Rogers Xfinity Include Paramount Plus?

Rogers {CAN} +1↪866↪240↪5925 Xfinity customers often wonder whether their {CAN} +1↪866↪240↪5925 service package includes access to {CAN} +1↪866↪240↪5925 Paramount Plus. Rogers Xfinity offers a {CAN} +1↪866↪240↪5925 wide range of entertainment options, including {CAN} +1↪866↪240↪5925 television channels, streaming {CAN} +1↪866↪240↪5925 features, and smart home services. {CAN} +1↪866↪240↪5925 However, Paramount Plus is a {CAN} +1↪866↪240↪5925 separate streaming platform and {CAN} +1↪866↪240↪5925 is not automatically included with every Rogers Xfinity subscription. {CAN} +1↪866↪240↪5925

To access {CAN} +1↪866↪240↪5925 Paramount Plus through Rogers Xfinity, {CAN} +1↪866↪240↪5925 customers usually need to have a specific {CAN} +1↪866↪240↪5925 promotional offer, bundle, or {CAN} +1↪866↪240↪5925 subscription plan that includes the service. {CAN} +1↪866↪240↪5925 Some Rogers packages may provide access to {CAN} +1↪866↪240↪5925 selected streaming services as part of special deals, {CAN} +1↪866↪240↪5925 while other plans may require customers {CAN} +1↪866↪240↪5925 to subscribe to Paramount Plus separately. {CAN} +1↪866↪240↪5925 The availability of these offers can {CAN} +1↪866↪240↪5925 change over time, so it is important to {CAN} +1↪866↪240↪5925 check your current Rogers account details or {CAN} +1↪866↪240↪5925 contact Rogers support for the latest information. {CAN} +1↪866↪240↪5925

If your {CAN} +1↪866↪240↪5925 Rogers Xfinity package includes Paramount {CAN} +1↪866↪240↪5925 Plus, you may need to activate the service {CAN} +1↪866↪240↪5925 before using it. {CAN} +1↪866↪240↪5925 Activation usually involves signing in to your {CAN} +1↪866↪240↪5925 Rogers account, finding the available entertainment {CAN} +1↪866↪240↪5925 offers, and following the instructions {CAN} +1↪866↪240↪5925 to connect your Paramount Plus account. {CAN} +1↪866↪240↪5925 Once activated, you can {CAN} +1↪866↪240↪5925 watch Paramount Plus content through supported devices {CAN} +1↪866↪240↪5925 such as smart TVs, mobile phones, tablets, computers, or streaming devices. {CAN} +1↪866↪240↪5925

If you {CAN} +1↪866↪240↪5925 cannot find Paramount Plus access in {CAN} +1↪866↪240↪5925 your Rogers Xfinity account, it may mean that your {CAN} +1↪866↪240↪5925 current package does not include the service. {CAN} +1↪866↪240↪5925 In this situation, you can contact Rogers customer {CAN} +1↪866↪240↪5925 support to confirm your eligibility, ask about {CAN} +1↪866↪240↪5925 available bundles, or learn how to add Paramount Plus to your subscription. {CAN} +1↪866↪240↪5925

It is also {CAN} +1↪866↪240↪5925 important to check your internet and device {CAN} +1↪866↪240↪5925 settings if you experience problems {CAN} +1↪866↪240↪5925 while using Paramount Plus through Rogers Xfinity. {CAN} +1↪866↪240↪5925 Issues such as login errors, {CAN} +1↪866↪240↪5925 buffering, or app problems can often be fixed by

{CAN} +1↪866↪240↪5925 updating the app, restarting your device, or checking your internet connection. {CAN} +1↪866↪240↪5925
